

## Exporting citations from Mendeley to RefWorks

Follow these steps to easily import your Mendeley citations into your RefWorks account:

1. In **Mendeley** highlight the citations you wish to transfer
2. Go to **File > Export**
3. Save to your Downloads as **RIS File**
4. Login to **RefWorks**
5. Click on **+** and select **Import References**

6. Choose **'Import from a file'**

Import from another reference manager

If we don't support importing from your reference manager yet, try exporting your references and import the file.

**Import from a file**

Need to import from a file, no problem. RefWorks supports hundreds of formats including RIS, BibTeX, and PubMed. Drag and drop the file into RefWorks (into the box below), or use the link to "select a file from your computer" and upload it.

+ Drop file here or [select a file from your computer](#)

7. You can now **import the RIS file** you saved to your downloads previously.

**\*UWTSD networked PC's won't allow you to download Mendeley software due to licensing restrictions but you can install it as a temporary file on a UWTSD laptop, for the purpose of exporting your citations to RefWorks.**
